**Monday 7 September 2009**

**Presentation by:**

**Associate Professor Carolyn Evans**

(Melbourne Law School)

## ***A Hitchhikers Guide to the Grants System***

There are numerous opportunities for academics working in law to obtain grants and fellowships to help their research. In this talk, Carolyn Evans will explain the main ARC grants and briefly describe some other grants. She will discuss how to increase your chances of getting a grant and also explain the Law School system for supporting grant applications.
